NEW FOR SPRING '09 IN10 INSHORE-LITE RANGE

Buford, GA – October 3, 2008 – Gill has taken another bold step in the redesign of their Inshore-Lite Jacket. Using the latest Gill 2 Dot™ laminate fabric technology, the new Inshore-Lite Jacket is a practical yet stylish, lightweight coat that is ideal for coastal sailing and boating.

The new Inshore-Lite Jacket is a fully waterproof, breathable jacket that has taped, watertight seams and features; a drop-tail hem, a storm-guard zip cover, Velcro cuff adjustment, and a lightweight, integral hood that stows neatly in the collar.

Inside, a durable mesh lining protects the laminate fabric and ensures the jacket keeps the wearer cool and comfortable. A multi-media pocket provides a safe haven for a mobile phone, MP3 player, hand-held VHF radio or compact GPS receiver. The Jacket is available in both Men's and Women's designs.
